Rock 'n' roll meets fairytale

Seventeen-year-old Martin High School student Melissa Kube gets both sassy and sophisticated with this Selena Gomez-inspired gown of lace and mesh, featuring a sweetheart neckline and layered tulle skirt. **Details:** Black and nude gown, \$189.90, Windsor; Jim Ball black and crystal drop earrings, \$79, WhatchamaCallit Fashions; Virgins Saints & Angels silver and crystal serpent cuff bracelet, \$598, Lawrence's; MIX No6, satin cut-out, ankle tie shoes, \$59.95, DSW.

All-around beautiful

Olivia Reynolds turns heads, just as Scarlett Johansson did when she wore a similar gown on the red carpet. It's strapless with a sweetheart neckline in front and hand-beaded rhinestones on the bodice, which gives way to a feathery-light tulle "illusion" skirt. **Details:** Paparazzi by Mori Lee gown, \$478, Sassy Couture iridescent drop earrings, \$45, both from Bliss Prom & Social; rhinestone nude satin pumps, \$59.95, DSW.
